This original Stamm Home is in the desirable Casa Solana neighborhood. Wood floors, ranch style fireplace, and a nice big yard with covered portal in the back. The home was used for a home based business and has a separate attached entrance, with a full bath: it could lend nicely for a buyer looking for a live-work residence. Or use the space and make it a Master Bedroom Suite and a three bedroom home. Many possibilities and a great price, bring your imagination! Easy to show.
