3 bed, 2 bath, main house: 2,400 sq.ft., heated garage: 400 sq.ft. MLS# 201701916

Fabulously remodeled home located at the end of a cul-de-sac on 3.5 acres of land with incredible views in every direction. The home has a chef's kitchen: high-end, double viking range oven with six natural gas burners, larger than double sized refrigerator and freezer, and a beautiful stone island. Open concept floor plan with two fireplaces, vigas and beams, high ceilings, Pergo-type flooring, and brand new comfortable bathrooms. The home is great for entertaining, both indoors and outdoors. Large, covered portal, with stainless steel BBQ using natural gas. Other great features are an attached, finished two-car garage plus a detached, finished, heated two-car garage with windows for natural light, perfect for an artist studio, hobbyist, or extra storage for the car enthusiast.
